## WORKING IN THE SEX INDUSTRY

WHERE TO GET HELP DURING  
THE COVID-19 PANDEMIC

Are you worried about continuing to work in the sex industry during the Covid-19 pandemic? Hampshire Police, alongside our local partners, will treat you as victims not criminals.

We know that you might be feeling vulnerable at the moment, especially if you feel that you cannot come forward to report any crimes against you.

There are also potential health-risks involved with continuing your normal services as well as an increased risk of becoming a victim of crime.

We would like to hear from you if you have any concerns or believe you have been a victim of crime. We would strongly urge you to come forward during this difficult time.

**You can contact Hampshire Police by calling 101, contact Crimestoppers on 0800 555 111 or report incidents online via the National Ugly Mugs website – [www.uglymugs.org](http://www.uglymugs.org)**
