## \*IMPORTANT INFORMATION ABOUT YOUR HEALTH RECORD (Please read carefully)

The NHS shares data from your medical record in a number of ways. You have the right to control how your personal information is used and who has access to it. You can opt out of this data sharing by completing the form below. We will then add relevant coding to your record to stop the extraction and processing.

**I agree to the following information to be extracted and uploaded from my GP record for the following purposes:**

### **National Data Opt-Out**

This information is used by NHS England and Public Health England to determine future demand on services, or for research into the treatment of conditions. This will also include the National Diabetic Audit and other National Audits that the practice may part in. (<https://digital.nhs.uk/data-and-information/clinical-audits-and-registries/national-diabetes-audit>)

To **Opt Out** of this please visit <https://www.nhs.uk/your-nhs-data-matters/> where you will need to register your preference not to take part. **We cannot do this for you.**

**The following options are for data sharing related to your direct health care. It is important you let us know your choices. You have the right to change your mind at any time.**

**The Summary Care Record**— Please opt me out of the Summary Care Record YES  NO   
*(If you have selected YES to the above option **do not** tick the 2 options below)*

I Express consent for medication, allergies and adverse reactions only. YES   
 I Express consent for medication, allergies, adverse reactions and additional information. YES

The Summary Care record is a national record which can be accessed by healthcare professionals who may need to treat you in other parts of the country. It contains information on your main diseases, medications ,allergies, immunisations, care plans and significant medical history (past and present) which may be crucial to your care in an emergency situation. If you do not want your data to be available to other services on the national spine, please let the practice know and we will ensure you are **Opted out** of this data sharing

**The Care and Health Information Exchange, (CHIE)** - Please Opt me out of the Hampshire CHIE YES  NO

CHIE is a Hampshire wide database which healthcare professionals in other practices and the local hospitals can access if they need to treat you. They can ask you to view your practice record, such as when you visit a local Hub – and this may be important to providing you with the correct care. It is not available to health services outside of Hampshire – who would use the Summary Care Record to obtain important information about you.

**I understand that I can opt my child in/out to any or all of these databases at any time in the future by informing the Practice in writing.**
