September 2020

Dear Patients,

Voyager Family Health is excited to announce we will be moving to our brand new, custom-designed General Practice Surgery premises on Monday 19th October 2020. With increased space and facilities plus a large free car park, we are confident that our move will enable us to provide an even better service to our patients. Our Practice area will not change and we will continue to look after patients for the whole of Farnborough as well as Fleet as previously. No patients will need to change practices.

Voyager Family Health will be the only GP Practice in the new Farnborough Centre for Health building on Apollo Rise, very close to our current Southwood site. We will have an increased number of large, modern consulting and treatment rooms for our doctors, nurses, paramedics and advanced physiotherapists. We will be on two floors with a lift. Also in the Centre for Health will be the Integrated Care Team (e.g. district nurses), counselling services, patient education rooms and midwife services for all Farnborough patients.

We will close our existing Milestone and Southwood surgeries on Friday 16th October. To facilitate the move, we will be running an emergency only service as a precaution on Friday 16th and Monday 19th October.

Our new address will be Voyager Family Health, Farnborough Centre for Health, Apollo Rise, Southwood Business Park, Farnborough, Hampshire GU14 0NP. Our telephone number remains the same 01252 545078. The website and email address will not change.

We appreciate your patience as we negotiate the move and we hope you share our excitement about our new surgery building. We look forward to welcoming you.

Best wishes
Everyone at Voyager Family Health
